INFORMAZIONI PERSONALI

NOME

CARLUCCI ANNALISA

EMAIL

annalisa.carlucci@unisalento.it

**ESPERIENZA
LAVORATIVA**

Universitaria

- Date (da - a)

In data 28/01/2025 vincitrice di procedura selettiva per la copertura di n. 1 posto di Professore Universitario di ruolo di 1^a fascia (Professore Ordinario) nel Gruppo Scientifico Disciplinare 06/MEDS-07 presso l'Università Unisalento.

- Date (da - a)

Dal 22 Luglio 2025 Professore Ordinario presso Università Unisalento
Dal 22 Settembre 2025 Direttore di U.O.C di Pneumologia dell'Ospedale Vito Fazzi di Lecce

- Date (da - a)

In data 6 Settembre 2019 vincitrice di concorso pubblico per la copertura di un posto di professore associato nel settore concorsuale 06/D1 – Malattie dell'Apparato Cardiovascolare e Malattie dell'Apparato Respiratorio - settore scientifico disciplinare Med/10 - Malattie dell'Apparato Respiratorio presso l'Università Insubria -Varese. Dal 1Novembre 2019 chiamata a ricoprire il posto di Professore Associato presso il dipartimento di Medicina dell'Università Insubria Varese-Como.

**ESPERIENZA LAVORATIVA
OSPEDALIERA**

Da Novembre 2020 a Novembre 2023 Direttore della Scuola di Specializzazione in Malattie dell'Apparato Respiratorio- Università Insubria Varese-Como

Precedentemente all'assunzione del ruolo Universitario, ha svolto attività clinica presso la Pneumologia Riabilitativa (cod. 56) degli Istituti Clinici Scientifici Maugeri IRCCS Spa di Pavia con le seguenti qualifiche:

- Date (da - a)
 - Dal 08/05/2000 Assistente Medico
 - Dal 01/01/2007 Assistente medico senior
 - Dal 01/03/2011 Aiuto Medico
 - Dal 04/10/2011 al 31/10/2019 Aiuto Medico Coordinatore

Dal 1/11/2019 a tutt'oggi, in qualità di Professore Associato presso l'Università Insubria, prosegue a svolgere l'attività di Aiuto Medico Coordinatore presso la Pneumologia Riabilitativa (cod. 56) in virtù di Convenzione stipulata tra Università Insubria ed Istituti Clinici scientifici Maugeri IRCCS Pavia

- Date (da - a)

Da Nov. '98 – Nov. '99: Contratto di medico specialista Pneumologo (attaché) presso Servizio di Esplorazioni Funzionali del Prof. A. Harf presso Hopital Henri Mondor-Parigi Creteil-Francia

- Date (da - a)

Da Ottobre '98- 15 Aprile '99: Contratto di ricerca clinica sulla ventilazione meccanica presso il Service de Reanimation Medical Hopital H. Mondor
Creteil - Francia.

ISTRUZIONE E FORMAZIONE

• Date (da – a)	Dal 1982 al 1987 Diploma Liceo Scientifico con votazione 60/60
• Nome e tipo di istituto di istruzione o formazione	Istituto Monticelli, Brindisi
• Date (da – a)	Dal 1987 al 1993 Laurea in Medicina e Chirurgia conseguita presso
a)	Università del Sacro Cuore di Roma- Facoltà di Medicina e Chirurgia Agostino Gemelli con votazione di 110/110 e Lode
• Nome e tipo di istituto di istruzione o formazione	
• Date (da – a)	Dal 1993 al 1997 Specializzazione in Malattie dell'apparato respiratorio conseguita con votazione finale di 70/70
	Abilitazione Scientifica Nazionale di professore di II fascia conseguita nel Novembre 2014
	Abilitazione Scientifica Nazionale di professore di I fascia conseguita il 2/10/2022

MADRELINGUA

ITALIANA

ALTRE LINGUE

• Capacità di lettura	INGLESE, FRANCESE
• Capacità di scrittura	BUONO
• Capacità di espressione orale	BUONO

CAPACITÀ E COMPETENZE

Durante l'attività svolta presso gli Istituti clinic Maugeri ha assunto il ruolo di responsabile di 7 posti letto di terapia semintensiva respiratoria dove veniva svolta attività di weaning dalla ventilazione invasiva e tracheotomia; gestione della ventilazione non invasiva nel passaggio dal setting acuto al cronico; Gestione di 15 letti dedicati all'insufficienza respiratoria cronica (in BPCO, obesità e ipoventilazione, patologie restrittive ed OSAS) ed utilizzo di dispositivi non-invasivi domiciliari tra i quali la ventilazione non invasiva, cough assist, high flow therapy;

Responsabile di ambulatorio dedicato a pazienti neuromuscolari (in particolare affetti da SLA) per la gestione dei dispositivi non invasivi.

Ha acquisito, pertanto, decennale esperienza nell'utilizzo di ventilatori meccanici, cough assist, ossigeno-terapia, High Flow Therapy nel paziente acuto e cronico per i quali è referente a livello nazionale ed internazionale.

Acquisita, inoltre, esperienza nell'utilizzo dell'ecografia polmonare e diaframmatica nella comune pratica clinica.

Utilizzo regolare di trasduttori di pressione connessi a sondini gastrico ed esofageo e Pneumotacografo per lo studio della meccanica respiratoria nei pazienti con patologie respiratorie in fase acuta e cronica.

Utilizzo quotidiano di softwares per scarico dati di ventilatori domiciliari

Utilizzo di Piattaforme per tele-monitoraggio della ventilazione domiciliare

ULTERIORI INFORMAZIONI

Da Settembre 2017 componente della Task Force ERS sulla NIV nel BPCO con insufficienza respiratoria cronica con relativa pubblicazione scientifica su rivista della European Respiratory Society

Advisory Board Member per Breas, Philips, ResMed e VitalAire per sviluppo di nuove apparecchiature per il supporto ventilatorio dei pazienti affetti da insufficienza respiratoria

Componente del gruppo di lavoro internazionale SomnoVNI (<http://splf.fr/groupe-de-travail/gav/somnovni/presentation>) che ha sede a Parigi e che lavora sulla stesura di statements, indicazioni cliniche e consensi sulla ventilazione non-invasiva domiciliare.

ATTIVITA' DIDATTICHE E SCIENTIFICHE

Speaker in numerosi congressi nazionali ed internazionali (ERS Congress symposium, Post-graduate Courses of ERS, International advanced ERS course on Non-invasive ventilation, Respiratory Failure and Mechanical Ventilation Conference)

Reviewer per numerose riviste internazionali (European Respiratory Medicine, Respiratory Care, International Journal of COPD, Critical Care, Minerva Anestesiologica)

• Date (da – a) Da Marzo 2011- gennaio 2012 Direttore scientifico di n. 8 Corsi teorico –pratici dal titolo: “La Ventilazione non-invasiva: dal trattamento acuto alla prescrizione domiciliare” per medici Pneumologi, di Medicina d'urgenza e Anestesisti-Rianimatori a cadenza mensile Centro Adveniam presso Ospedale Maggiore Policlinico, Fondazione IRCC Ca' Grande -Milano (www.Adevniam.it)

• Date (da – a) Marzo 2009 – Ottobre 2012: Contratto di Docenza al Master di I livello in Fisioterapia e Riabilitazione Respiratoria Università degli studi di Milano

• Date (da – a) Gennaio 2014 – Dicembre 2016: Contratto di Docenza al Master Universitario di II livello in Terapia Intensiva e Semintensiva Respiratoria” Università degli studi di Milano

• Date (da – a) Dal 2015 ad oggi Contratto di Docenza al Master Universitario di livello in Terapia Intensiva e Semintensiva Respiratoria Università degli studi Alma Mater Studiorum di Bologna

• Date (da – a) Gennaio 2019 e Dicembre 2020 Responsabile Scientifico del Corso “Atlante delle Asincronie” per medici Pneumologi esperti di

Ventilazione non invasiva

- Date (da – a) Dicembre 2023, Ottobre 2024, Ottobre 2025: Responsabile Scientifico del Corso Vitalearn, per medici Pneumologi esperti di Ventilazione non invasiva.
